FAQS

Are these lashes reusable?

Yes! Our lashes are reusable up to 20 wears with proper care.

How do I apply my lashes?

Measure the width of your lash line with the eyelash. Apply lash adhesive eyeliner on your lash line and wait 7-10 seconds before applying eyelashes. Apply lashes on top of the adhesive eyeliner.

What eyelashes should I buy for my dancer?

We recommend starting with Petite Lashes and working your way up to medium to full sizes. We provide an [eye shape guide](#) on our online shop to assist you with finding the perfect pair of lashes to match your eye shape. You can also send us a email at info@dancelashes.com or direct message us on our social media pages for a quick reply.
